

Suppliers of extrusions and Retail Display products

Extrusion

Aluminium Direct Ltd was formed in April 2005 by its co directors Lee Ashmore and Andy Hall: our aim is to offer our customers a one stop shop. Utilising our extensive knowledge within the aluminium extrusion and allied industries ,we can offer assistance from initial ideas on the drawing board through to finished products.

Below is a snapshot of what we offer our customers

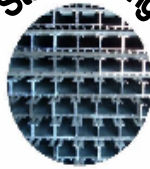

- ◆ Aluminium extrusions in mill , anodised and painted finishes
- ◆ Fabrication of component and long length parts
- ◆ Drawing and design assistance
- ◆ Rapid prototype aluminium samples
- ◆ Retail and display products
- ◆ Smoking shelters
- ◆ Aluminium sheet

Please visit our website for further information as we are constantly adding to our services www.aluminiumdirect.co.uk
